SUMMER DRINKS

Who doesn't love English summertime with its long light evenings, balmy hot days and of course the occasional downpour!

We've looked through our extensive range and tried to pick out an interesting and refreshing selection for you to enjoy this summer.

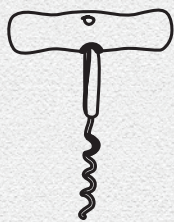

Classic cocktails and long drinks sit alongside drinks you may not know, but we hope you will try and maybe find a new favourite.

This is by no means an exhaustive list; on our bar we have numerous crisp and clear lagers, well-kept and well-loved cask ales and refreshing cold ciders.

In our fridges you will find a range of interesting bottled beers & ciders, alongside soft drinks and well chilled white, rosé & sparkling wines.

Behind the bar you will also find delicious red wines, a wide range of spirits, coffee, tea and, of course, friendly helpful staff.

Enjoy - and let us know if there is anything we can get in for winter!
