Pizzas

Our pizzas are hand-stretched Italian style stone-baked bases, topped with tomato sauce and melted mozzarella, available in approximately 8" and 11" sizes.

Vegan? Gluten-free? Our pizza dough is vegan-friendly, so just let us know if you want one of our pizzas without cheese etc - we'll happily double up another ingredient in exchange!

We can do the 11" pizzas in gluten-free dough for an extra £1. They have to be prepared and go through the oven separately so may take longer at busy times.

Takeaway pizzas! We can box pizzas for takeaway (nb we can't normally take orders over the phone, so please come into the pub to order takeaway)
