

THE GOLDEN LION

RAINFORD

Welcome

Welcome to the Golden Lion, Rainford to all customers new and returning.

At the Lion we pride ourselves in producing excellent home cooked classic meals as well as a good selection of outstanding dishes with an aim to tickle everyone's taste buds. Our talented team of Chef's help build our kitchen in delivering an array of meals that will tempt each and every one of our customers from the youngest little adventurer to our more established diners. Each dish we have chosen for

our menu has been thought over and where able we have used reliable local produce in ensuring that we are supporting local business and families of Rainford and the surrounding area.

With the introduction of our Slimmer Dinners we are hoping to cater for individual needs with helping to stay focused around dietary requirements. Where possible we will aim to assist in all areas around this and help make your visit to us a much more personal and enjoyable one. There is a children's menu to help

the little eaters get their favourites and we are incorporating at least one of their five a day with these meals.

We hope that you enjoy your visit with us and if there are any family favourite dishes you love to eat that you feel we could add to our Specials Board please let a member of our team know and we will see what we can do.

Enjoy your stay with us.
