

Welcome to the Bell Inn, "The Noted Ham and Egger"
Nicola and Caroline took over on the 29th September 2017,
Opening on the 4th November 2017.

Between us, we have over 30 years' experience in hospitality,

But this is the first time we're doing it for ourselves.

Our aim is to have a warm welcoming family and pet friendly
environment that our clients feel home from home in.

We have designated the raised area to the right of the bar as our doggy
dinning and provide water bowls, bone biscuits and also sell Doggy beer
and Pawsecco, please ask at the bar.

We cook each dish to order and therefore, there may be a little time
before your starter arrives and between your courses.

We provide both Vegetarian (V) and Gluten Free (GF) options on our
menu, but please bring to the notice of a member of staff that if you
have certain requirements we will amend our cooking practices and
services choices.

As a quirky option we also have access to a variety of different eggs for
you all to try the ones we have on premises are Quail, Chicken, Duck,
but we can also pre order Turkey, Goose, Emu or Ostrich Eggs if any of
