

THE OLDE KINGS ARMS

PARKING & HOW TO FIND US

Unfortunately we do not have a dedicated parking area as the old fashioned cobbled streets of the Old Town were not designed for cars!

We recommend that guests park in the High St Car Park at HP1 3AD and take a one minute walk through the beautiful churchyard of St Mary's Church which cuts through to the pub. The other option is The Gables to the rear of the pub.

Parking is currently free after 6:30pm and is reasonable priced throughout the day
