If you have any dietary requirements or allergies, please let us know before ordering and we will be happy to assist you. We can, upon request, provide information regarding all our food and drink offers to enable you to make an informed decision. Our food is freshly prepared in our kitchen where nuts, gluten and other allergens are present, so whilst a dish may not contain a specific allergen, due to the wide range of ingredients in our kitchen, foods may be at risk of cross contamination by other ingredients.
