SUMMER MENU

CHEF'S MESSAGE

Here at The Butcher's Arm's we strive towards providing our customers with the best food possible and being in the heart of the Cotswold's really helps us to achieve this. All of the meals on this menu reflect the amazing fruits, vegetables and meats that are found right on our doorstep, and as a chef it brings me great pride to say that all of our suppliers provide us with the best that they have. Ranging from RSPCA and Red Tractor assured meats to vegetables grown just down the road.

I hope you enjoy what we have to offer here at The Butcher's Arms , if you have any questions please dont hesitate to ask either me or any of the front of house staff serving you today.

Thank you for coming and i hope to see you again soon...
