

Cowick Barton

Beer and Cider Menu

Our newly built cellar is the perfect example of balancing the latest space –age style beer engine technology with age-old cellarmanship practises. Later in the evenings, feel free to ask for a cellar tour – we like nothing more than showing our new “smart dispense” technology and talking shop about cask beer!

Draught Keg Beers

Italy, L'Autentica Birra Moretti 4.6%

Clear, straw golden colour, aroma of lemon and cut grass with a light to medium body, malty flavours with a slight floral twist served in beautiful chaise glassware... £4.60 Food matches: Risottos, pasta, main dishes featuring white meats and cheese.

Scotland, Caledonian Brewery's Coast to Coast 4.6%

Combining six hops from the Yakima Valley with our very own East Coast Maritime malt, this is a craft style polished bronze ale with pine and citrus aromas all with a hint of spice. The taste is hoppy, with luscious lime, passion fruit and some kiwi-fruit notes. A smooth, rounded and bitter with a zesty finish... £4.95 Food Matches: Dishes infused with herbs and spices, in particular, Asian inspired dishes.

Netherlands, Heineken Served Extra Cold 5%

Served from the most advanced beer delivery system on the market, Heineken 'EC' is dispensed via a 'smart dispense' beer engine and through 'pourtal tap' technologies. It is effectively blast chilled and served from a frozen tap to a frozen glass. The beer is pale, golden amber with a thick white head, it has a light honeysuckle and ripe banana aroma, on the palate it has a malty cereal note with a good balance between fruit and hop bitterness...£4.80 Food matches: Balances and refreshes the palate so fish and chips, burgers, steaks all go well with this beer.

Netherlands, Amstel 4.1%

Amstel is the perfect balance of taste and refreshment. Its golden colour is achieved using light and dark malt, giving a light body with sweet malt flavours and a tiny hint of raisin and dark fruit... £4.30 Food matches: Light bodied, so fish dishes, chicken, pasta and salads.

Cask Conditioned Beers

Our cask beers are vented and tapped by hand to go through their crucial 'secondary fermentation' process in our cellar. When cask beer is looked after and shown a bit of love and care, this slow, meticulous process gives an unrivalled beer experience unique to us in the UK. At the Cowick we test our beers every day to ensure the best possible quality.

United Kingdom, Cowick Gold 4.3%

Our own favourite beer, Cowick Gold ale is light to golden in colour, with a medium bitterness beautifully balanced by a biscuit-like sweetness... £4.30 Food matches: salads, seafood and lightly spiced dishes

United Kingdom, Theakston's Best Bitter 3.8%

Described aptly as a “quintessential English bitter” this amber golden-coloured beer has a full body with bitter sweet balance. On the palate there is a subtle hop character with citrus and spicy flavours...£4.20 Food matches: Pies, stews, rich casseroles

Guest Cask 19th and 20th Feb (subject to availability)...

United Kingdom, “Over the Bar” 4.2%

A great ale for the six nations season, copper ale with an aromatically hopped, bittersweet balance...£4.30 Food match: roast lamb, pork, beef or cheese based starters.
