OTHER OPTIONS

As we cook from Fresh with skilled Chefs please ask if there's anything you'd like that's not listed here.

In the past, we've produced Tapas, Tex Mex, Italian, and local produce menus. We can do 2 or 3 course seated meals, and run a Christmas menu every year.

For the budget-conscious we can serve Bacon, Sausage, and Egg rolls with Chips or similar for £4 per head. We can also tailor meals to those with healthy or conscientious dietary choices or those with allergens - often with separate plates to avoid any cross-contamination with other buffet items.

**ALL BUFFET PRICING IS BASED ON MINIMUM
