

## What to expect from a visit to The George!

- On your arrival to The George you will need to come to the front door where you will wait to be shown to your table. The back door is now an exit only door.
- A facemask must be worn throughout the premises and can only be removed once sat at your table, should you need to leave your table then a facemask must be worn.
- Please scan the NHS Track and Trace QR code on arrival, should your phone not be capable of this then our track and trace form will need to be completed. All names and contact details of customers will be taken and kept secure for 21 days.
- Hand sanitiser is available at all entrances and exits to the building.
- Inside we are allowed 1 household per table, outside is a maximum of 6 people to a table, this can be made up of people from more than 1 household.
- Full table service will be given throughout your visit.
- All tables will be thoroughly cleaned between guests.
- We can accept cash and contactless payments.
- The toilets will be available to one family at a time.
- The play equipment is in use but is not cleaned regularly, please sanitise your child/ren hands before and after use and supervise them at all times. 1 child per piece of equipment. Children must stay at their table if not on the play equipment.
- Dogs are still welcome but must be on leads.
- Everyone must be off the Premises by 11pm, including all outside space.
- Please remember social distancing at all times.

As tables are now restricted booking is advisable, this can be done via phone 01832 274076, email [georgeundle@aol.com](mailto:georgeundle@aol.com), or Facebook.

And lastly, enjoy your visit!
