COFFEE CO.

[WWW.BLACKANDWHITECOFFEE.COM](http://WWW.BLACKANDWHITECOFFEE.COM)

A blend of the very best South American coffees with a touch of the Far East for balance. This darkly roasted espresso contains Brazilian, Honduran and Costa Rican beans known for their smoothness, low acidity and notes of ripe tropical fruits.

A touch of premium Vietnamese Dragon Ball gives the blend body and bite. This is a full bodied coffee with the acidity and sweetness coming through on the finish.
