England's Oldest Inn Dating Back To 953ad

A warm and friendly welcome to The Bingley Arms. The Bingley Arms, or The Priests Inn as it was called hundreds of years ago, has a known history that dates back as far as 953ad when Samson Ellis brewed in the central part of the building. In 1780 the Inn was renamed and came to be known by its name today, The Bingley Arms, after it was taken over by Lord Bingley.

The Bingley Arms boasts history like no other pub in Yorkshire or even England.
