Wedding Information including Terms & Conditions

The Charges:

We charge a set hire rate of £250.00 for our function room, "The Barn", for a wedding. This charge gives you access the day of your wedding, the day before to allow you to set up the room and the day after to allow you and/or suppliers sufficient time to come back, remove your decorations and anything else you wish to leave in the room overnight. We do not offer back to back weddings or functions so you will have the space and time you need to make your wedding reception perfect.

You will also have exclusive use on the day of your wedding of our patioed courtyard area to allow you outside privacy also.

The hire rate of £250 is applicable only if you are catering your wedding through us. We do allow outside catering, however, the hire charge for "The Barn" will then be £500. Your outside caterers must also be aware that we will not provide them with any kitchen or clearing space to prepare their food, any crockery or cutlery and their staff will be expected to do all clearing. They will also have to sign a disclaimer form regarding the food they provide.

Everything must be cleared from The Barn the day after your wedding, with the room being left completely free of decorations and litter. We reserve the right to charge a cleaning fee should there be anything left in the room.

All drinks MUST be purchased from us. We will not allow any outside drinks to be consumed on these premises. Drinks pack-ages are available, please see over the page for example packages. The bar is also open from midday until 11pm for your guests to purchase anything they wish.

Once you have chosen your wedding date we will require a non-refundable deposit of £250.00 to secure your date.

Four weeks before your wedding date you will need to provide final numbers for catering/drinks package purposes. We will then draw up a final invoice to be paid 7 days in advance of your wedding. If payment is not made in advance your date we reserve the right to cancel your event. All payments are non-refundable in the event of a cancellation.

General Information:

We do not provide any decorations or staff to do the decorating or clearing of the decorations, this is all your own responsibility. We do provide all crockery, cutlery and glass wear.

Last orders will be called on the bar at 11.00pm. The bar will close strictly at 11.30pm. All music MUST finish at 11.00pm. The premises needs to be vacated by 11.45pm.

The maximum amount of guests we can cater for a wedding breakfast, sit down meal is 40 people. The maximum number for guests in the function room at any one time is 60 people.

You may hire a marquee at your own cost if you required more than 60 guests and this will allow for additional numbers, depending on the size of the marquee.

Terms and Conditions for 2021 and 2022:

We reserve the right to cancel your booking for reasons of special circumstances beyond the control of the venue (such as serious damage to the venue, serious adverse weather conditions or interruption or failure of utility services such as electric, power, gas or water) that would prevent us from fulfilling our obligation in connection with your booking and can accept no liability for non-performance of our duties as a result. If this unfortunate situation should occur all payments made will be refunded to you.

This is not an exclusive use venue and you need to be aware that the rest of the pub and the grassed beer garden will remain open to the public.

The use of illegal substances is not tolerated or permitted any-where at the New Inn. We reserve the right to remove any guest suspected of consuming illegal substances. We also reserve the right to remove any guest found consuming their own drinks, whether it be alcoholic or non-alcoholic on our premises.

By signing these terms and conditions you acknowledge that, in the unlikely event of cancellation on your part we reserve the right to retain all deposits paid.

I/We accept the terms and conditions as laid out in this document.
