

## Our Guide to Staying Safe at The White Hart

We've been working hard behind the scenes to ensure that when we welcome back our valued customers & staff, we make them as safe as possible, whilst also following the latest government guidelines.

We have some small but important requests for our customers which will help us look after everyone in our pub.

**Please respect our team & any requests we have, to keep everyone safe & speak to a member of the team if you have any concerns or questions during your visit.**

We are asking you to...

### Follow our one-way system

Using the main front door to enter & rear garden gate to exit the pub, treating the pub as a one-way system.

### Relax & Enjoy Our Table Service

We will not be taking any orders at the bar, so please raise your flag if you require service at your table for food or drinks & we will be with you as soon as we can to take your order.

### Inside/Outside Tables

Inside we are restricted to a maximum of 2 households (or support groups) per table. Outside, multiple households are allowed, but please keep to a maximum of 6 people per table.

### Observe Social Distancing Measures

Government guidelines will continue to change. Please adhere to the latest advice at all times.

### Toilets

The pub toilets will be single use & regularly cleaned. Please change the occupied/available sign when entering or leaving the toilet to signal its status & use the sanitiser provided.

### Hand Sanitising

Hand sanitisers are placed at entrances & throughout our pub. We will regularly check sanitising & handwashing facilities.

### Children & Play Area

Unfortunately, we have had to close the children's play area. Please can we request that children remain at their table.

### Payment

We will require pre-authorized payment for outside tables that order food. Where possible, please use contactless payment although we can accept cash.

**(V)** Vegetarian **(VE)** Vegan **(GF)** Gluten Free  
**(GFA)** Gluten free available please ask.

**Please note:** The ingredients are allergen free, but dishes are prepared in a kitchen where allergens are present.
