

Welcome to The Bankhouse Inn

Our philosophy is quite simple...

We mix the best ingredients in a relaxed family friendly setting.

We hope you have a memorable time.

Our Suppliers

We strive to use the best and freshest of local ingredients.

We know where our produce comes from.

Please feel free to ask a member of staff for more details.

Meat

Our Beef and Lamb

All our Beef & Lamb are reared at Lane End Farm in Tong. You can see our selected cows from the beer garden over the valley

Our Poultry

All our Poultry is supplied by Nidderdale Poultry from Pately Bridge along with Clarke Meats of Huddersfield.

Our Pork

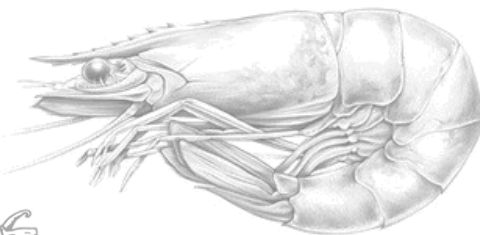

All our Pork is produced from Stephen French's Farm at West Tanfield in Ripon.

Fish

The Taylor name is well known in the North East, a major buyer at North Shields auctions, with over 85 years' experience in fresh fish focused on sustainability and quality

Fruit & Vegetables

We source from local fruit and vegetable suppliers and wholesalers including Deli Fresh. Even our very own local brings us Cucmelon, Rosemary, Squash and much more from his garden. Thanks Phil Ming & Co
