MENU

Don't forget to check out our Specials Board

The majority of the items on our menu are homemade, home produced and where possible locally sourced, but all cooked on site by Stuart, who has well over 35 years' experience in preparing and cooking food. Stuart has also cooked for many celebrities in his time, including Patricia Routledge, who said that he makes the best omelettes outside France, Barbara Windsor, who said all the food I've enjoyed whilst staying here is blooming delicious and Peggy Mount, the best meal I've had in years, I did so enjoy it! Just a few of the comments received from celebrities and many many more comments from customers over the years such as, the best steak and ale pie ever, from a vicar's wife, whose favourite meal was steak and ale pie. Recently in here a gentleman gave us 10 out of 10 for the best pub meal he had for years!
