

## What to expect from a visit to The George!

- On your arrival to The George you will need to come to the front door where you will wait to be shown to your table. The back door is now an exit only door.
- Hand sanitiser is available at all entrances and exits to the building.
- We are operating a one way system throughout the pub, please follow the arrows as directed.
- If you are seated outside you are allowed 6 individuals at your table or 2 households. 1 person from the table can go to the bar to order your drinks or food, once ordered these will be delivered to your table.
- If you are seated inside you are allowed 2 households per table. You will receive table service throughout your visit and so will not need to leave your table other than for the toilet.
- All names and contact details of customers sat inside will be taken and kept secure for 21 days, this is to assist with track and trace.
- Any members of staff who are providing table service will be wearing a face mask.
- All tables will be thoroughly cleaned between guests and all touch points will be cleaned every 20 minutes.
- We can accept cash and contactless payments.
- The toilets will be available to one family at a time.
- Unfortunately the play equipment is not in use for the moment, all children visiting will be required to stay at their tables.
- Dogs are still welcome but must be on leads.
- Please remember social distancing at all times.

As tables are now restricted booking is advisable, this can be done via facebook, phone 01832 274076 or email [georgeoundle@aol.com](mailto:georgeoundle@aol.com).

And lastly, enjoy your visit!
