

## **Guidance Notice About Current Circumstances**

Welcome to the Elm Tree. Please take a moment to read this notice.

We're so pleased to be able to welcome you back. We want you to be able relax and enjoy the pub again, but we also need your help to remain compliant with current guidelines.

If you have any questions, please ask a member of staff.

- Please maintain a minimum of 2m distance (or at least 1m where 2m is not possible) from anyone outside of your household group, including members of staff.
- Groups are limited to a maximum of 6 people at this time.
- Please sanitize your hands when entering the premises, and use hand sanitizer as often as necessary throughout your visit, particularly after touching your face, coughing or sneezing.
- On entering, please wait to be seated.
- Please stay at your assigned table, as each table must be thoroughly cleaned between each party. The spacing between each table has been measured to ensure a safe distance between groups, so please do not move any tables or chairs.
- Please give a name and contact number for your group to your server when first ordering.
- Only one customer will be able to use the toilets at any one time as it is unfortunately not possible to maintain social distancing.
- Please do not touch any drinking glass except your own.

Thank you for your attention and co-operation. These guidelines have been put in place by the government to ensure businesses are Covid-19 secure. Police and local authorities have the powers to enforce requirements in relation to social distancing, and to take action in the event of non-compliance.
