Prepare your taste buds, folks — things are about to get sear-iously delicious.

Wednesday 18th March

5pm-8pm

Steak Frites – £13.50

Hand-carved like we're auditioning for MasterChef (don't worry, we won't). A proper meal for anyone who likes their dinner bold, simple, and downright satisfying.

Roast Cauliflower Steak – £11.50

For the veggie heroes who want all the glory of grillin' without any of the moo. Big flavour, big attitude, zero beef.

All dishes are served with skin on fries and your choice of these saucy superstars

***Pink peppercorn & cream with a splash of brandy
smooth, warm, a little bit fiery...
basically the George Clooney of sauces***

or

***Port & Stilton – rich, bold, and unapologetically posh.
The kind of sauce that turns your steak
into a steak experience.***
